January 3, 2003

RESPONSE

Hon. Commissioner of Patents
and Trademarks
Washington, DC 20231

Sir:

In response to the Examiner's requirement for restriction, set forth in the Office Action dated December 3, 2002, Applicants elect the subject matter of Group II (claims 16-25) for prosecution in this application. The election is made with traverse and the Examiner is urged to re-join at least Groups II-IV as it is believed that no undue burden would be placed on the Examiner from the standpoint of searching if all of claims 16-31 were to be considered in the same application. In response to the Examiner's requirement for election of

HAYNES, Barton F. -- Serial No.: 09/956,940

species, Applicants elect protein. The claims readable on the elected species includes claims 16-18 and 20-25.

An early and favorable Action on the merits is awaited.

Respectfully submitted,

NIXON & VANDERHYE, P.C.
